

AMITY

D I A M  N D S

*always precious, always mine*

*He is your friend, your partner, your defender...  
You are his life, his love, his leader.  
He will be yours, faithful and true, to the last beat of his  
heart. You owe it to him to be worthy of such devotion.*

## HOUSE OF AMITY

We introduce you Amity Diamonds, the only fine jewelry house solely dedicated to the highest celebration of eternal love between you and your pet.

Amity Diamonds offers you exceptional jewels: diamonds created with the ashes and/or fur from your beloved pet, where each jewel is the capture of her natural beauty forever.

Each Amity Diamond's jewels is unique thanks to the combination of Swiss technology and exquisite craftsmanship destined to honor the unconditional love between you and your beloved pet.

Inspired by this devotion, Amity Diamonds stands out in the fine jewelry world by offering you a personalized service anywhere in the world.

Amity Diamonds is the art of honoring your pet and the most beautiful feeling: friendship beyond time, with jewels created with the most special diamonds.

**Make this tribute of love and beauty yours.**

## EXCLUSIVE SERVICE

Our face to face service is included with your jewel in the EU and the USA - Special conditions, additional charges and some exceptions may be applied.

- In our first conversation we will determine the amount of your pet's or horse's essence available and needed for your Amity jewel.
- We will schedule the visit of the Amity Ambassador to personally pick up essence of your beloved pet or horse, to sign the Purchasing Contract, and pick up the needed documentation. In this meeting we will bring the prototype of the jewel you have selected.

During the creation of your diamonds and jewel we will give you a follow up service, to keep you informed in each step of the process.

Each jewel is created in 18K gold  
-you can choose white or yellow gold-

**Fees include taxes**

## COLOUR

The presence of Boron (B) in the body, in its different concentrations, is the major influence for your Amity diamonds to have a bluish color. It can go from a white Diamond with blue sparks to a deep blue color.

The exclusive scientific process Amity Diamonds offers you strictly respects the essence from your pet or horse, therefore the natural color is not changed nor altered.

## CLARITY

Our mission is to offer you Diamonds of highest authenticity and quality.
